### **This Sunday, 19<sup>th</sup> February**

## **GENERAL PARISH NOTICES**

### **Update on the Church Frontage & the Tree of Heaven**

At the back of the church there are copies of the initial brief detailing the proposed scope and timing of works to the church frontage. It has been prepared by Maria Demargne with input from the Church Improvements Working Party and the Parish Finance & Consultative Committees. If you have any comments on the scope please contact Juliet Thompson (coordinator) on [jlgt@btinternet.com](mailto:jlgt@btinternet.com), or the Parish Office, by 19<sup>th</sup> February 2017.

The next step is to select and appoint an architect to prepare a feasibility scheme.

The stump of the Tree of Heaven has now been poisoned and we expect that its suckers will need poisoning, possibly several times, as they regrow. A section of the wall has to be demolished to allow effective stump grinding and we plan to do this later in the year once the plans for the church frontage have been finalised.

### **Could you help to clean the church brass, altar candles & candle stands?**

These all need cleaning once per week and can be done at a time to suit volunteers' convenience. If a sufficient number of you could help we could have a rota of cleaners for this. Contact the parish office.

### **Have you Recently Joined the Parish?**

If so you are very welcome. Please make yourself known to Fr. Tom and Canon John and do complete one of our Database Forms which can be found in a box on a table in the narthex.
